

SERVICE INSTRUCTION

 *Your Guide
To a Better Experience*

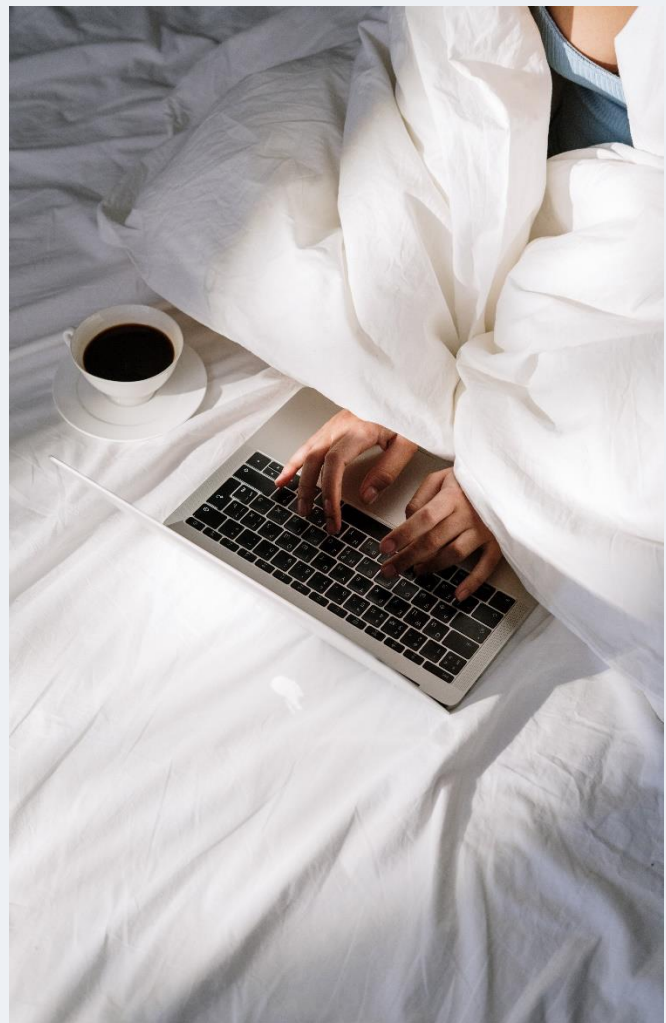

INTRODUCTION

We want to provide our medical health customers – online medical health treatments, while we provide the opportunities to our practitioners to work from just “everywhere”. By joining our team, you will be able to receive and help clients from all around the world, simply by connecting to the internet. Astrakos’ society for public health is and will continue growing. We want to encourage you to explore your potential. Do not limit yourself to local market. Be international. Be a part of the change!

Our primary motto is to provide our customers with the best services, therefore, we are looking for the best possible certified practitioners. We recommend reading our instructions carefully before purchasing any of our business plans.

The internet is essential for our business model, so it is important to you as a practitioner to have a good internet connection in order to provide a high-quality video chats with our customers, as well as it is important to attend a meeting when a customer books a consultation. We use a flexible booking system so you and our customers can arrange a suitable time which suite both of you.

Our customers’ satisfaction is high priority, therefore, you want to provide high quality services. Note We take customers' feedback seriously, so we want to make sure our customers are satisfied.*

NO LIMITS! WORK SIMPLY FROM EVERY- WHERE

*There are some points to consider before registering. We are looking for practitioners in **specific fields**, which are listed below on this page. However, you need to be certified in order to provide a service, i.e. Trainer License, Bachelor, Master, PhD, Post PhD or Medical Degree. There are no exceptions, so please if you do not have one of these certifications, do not register, because you cannot provide a service! If you already did a registering and just recognized, you are not certified, please contact us immediately. Otherwise follow the Instructions below. We hope to answer all of your questions.*

We are looking for specialists in fields of:

Sport, Nutrition, Public Health Science, General Medicine, Cardiovascular medicine, Critical care medicine, Dermatology, Emergency medicine, Endocrinology, Geriatric medicine, Gastroenterology, Hematology, Nephrology, Neurology, Oncology, Ophthalmology and Optometry, Otorhinolaryngology, Pastoral care, Pulmonology (Respirology), primary care medicine, Pediatric medicine, Psychiatry, Orthopedics, Reproductive medicine, Infectious Disease, Cardiology, Ophthalmology, Respiratory Medicine, Neurosurgery, Cardiothoracic Surgery, Colorectal Surgery, Rheumatology, Urology, Obstetrics and Gynecology, General Surgery, Radiology, Breast Surgery, Plastic Surgery, Emergency Medicine.

INSTRUCTION

Now let us simplify the process:

STEP 01:

Discover the do's and don'ts by reading our terms of service to ensure you're always on the right track.

STEP 02:

While registering, you need to enter all required information correctly. Make sure to include your certification and your e-mail address, since it will be important later if your submission has been accepted so we can contact you for further information.

STEP 03:

We will check out all your files then we may exchange some final information. In case you become approved we will set up your profile, so you become displayed on your tele station thereafter, we will send you an e-mail, which will contain your username and changeable password.

STEP 04?

Send us by mail anything you need to have on your frontpage of your service such as "how you can help patients". A description of you, for instance, languages you speak and time range so people can reach you, and a detailed info about your certification so people can trust you, and some professional information may could help your promotion. Put in mind that the description should be between 300-900 words. The professional on our market they include a video they talk about the service they will provide, and you can do so also. You can also include a short description for your product 30-50 words and the prices that you want to have for one the hours x1, x2, x3, x4, x5, Also, you can choose the word you want to rank for.

STEP 05?

Apon we get the information from you; we will create your product and we will send you a link that you can attach to your posts so people can book you.

STEP 06?

When you get the link, you can use the link in the new post that you will do by yourself. Edit your profile, explore our tools, features and much more, do not forget to add your profile picture, description, and professional information. You can write up to five articles in understandable language about sport or health issues to attract people to interact with you and your business. You should write about topics that have to do only with sport and health sciences. You are not allowed to write anything outside of the topic sport and health. When you write a post, your minimum post should be 300 words with good SEO related to the topic and without plagiarism. Do not forget to be scientific and realistic when you write your post, support it with references from high quality website that belong to health organization such as WHO. Thereafter, publish your post.

STEP 07?

Your post and product will appear on our market and our audience will see it, but you can also promote your post by sharing it with your social media.

**“We want to
support & help
you to reach out
millions of people
worldwide.”**
